DAY OF REFLECTION FOR WOMEN Saturday, May 9th, 2026 9:30 am - 4:00 pm

What is a Charism? How do we discern these spiritual gifts and where to use them?

“Charisms are special gifts of the Holy Spirit which are bestowed on individuals for the good of others, the needs of the world, and in particular for the building up of the Church.” (Catechism of the Catholic Church, 799-800)

Join us for this interactive and reflective workshop where we will learn about the Charisms, how to know which ones we are called and gifted to use in our current season of life, and what to say yes and no to as a result so we can make our contribution to build God’s Kingdom. We will also explore how our Charisms help us to live out our mission more confidently and competently, and how to recognize who we need to lean on that has complimentary gifts to ours to foster greater impact and collaboration.

Suggested Offering: \$ 75.00 per person
