A SILENT RETREAT FOR MEN

March 19 - 21, 2027

Very Rev. David Wm. Mickiewicz

Joseph of Nazareth: the man, the husband, the father

Using the imaginative poems, *The Agon of Saint Joseph* by Bertrand Fay, reflect on what it means to be a Christian man in the light of Joseph of Nazareth. How do the life and struggles of Joseph resonate with your life experiences of relationships, personal questions and walking with people whom though you have not fathered still care about and protect.

Reflect on your father and your father-son relationship.

What might God be revealing to you for the deepening of your spiritual life?
